Background:

The face of terrorism has been changing dramatically over the past decades. In the 1970s and early 1980s, terrorist organizations typically had discrete and immediate political objectives—the release of compatriots from prison, the political independence of ethnic region or state, or the withdrawal from a conflict. To further these goals, terrorists engaged in kidnapping, hijacking, small-scale hostage-taking and other operations involving relatively low levels of violence. As summed-up by a leading expert in terrorism:

“Traditional terrorists wanted a lot of people watching, not a lot of people dead.”

Today’s “post-modern” terrorists have eschewed unconstrained or modulated violence. Many of these individuals and groups seek nothing but the wholesale collapse of Western Societies and Nations which they deem evil Western corrupt Bourgeoisie (Imperialism). These terrorists often embrace religious or quasi-religious ideologies based on ethnic or religious fanaticism best described and maintained in Cultic form based on brainwashed members”; and because they are brainwashed to believe their actions are justified to please a higher religious authority (Imam or Caliph), the ability to kill themselves or large numbers of individuals only reinforces the correctness of their actions.

The blessings of Western free and open society also can provide cover for acts of terror and violence for terrorist groups such as MEK by just pretending to carry our Western values.

Mek’s policy towards the West

From the first days of the downfall of the Shah in Iran, Mek pressed for the downfall of Imperialists led by USA. Rajavi called for the second and the main phase of the Revolution in their official newspaper “Mojahed”:

“OVERTHROWING the IMPERIALISM as the main SHAH”

Mojahed Issue #4, P2: “the only way to the liberation {of Nations} is to struggle against Imperialism”

In this respect Mek relied on the then the second super power Soviet Union.

Mek and assassination of Americans in 1970s

Unlike when Masoud Rajavi was in Iran, denies assassinating the Americans at the Shah’s time. Below, on their official paper “Mojahed” issue #18 page7, published after the revolution during occupation of US Embassy, proudly claiming the Mek’s assassination of Americans as Mek’s superiority over others and government officials:

در شرایط خفقان و دیکتاتوری رگبار مسلسل چه کسانی سینه مزدوران و مستشاران امریکار امی شکافت؟

مجدداً یادآوری نمی‌کنیم که تاریخ انتشار بیانیه فوق ۲۷ اسفند ۵۷ یعنی تقریباً یکماه بعد از سقوط رژیم شاه بوده است. اما متأسفانه شاهد بودیم که چگونه طی ماهها بعد از آن، مسئله مبارزه ضدامپریالیستی اساساً بفراموشی سپرده شد. با اینحال مجاهدین خلق، صرفنظر از بیانیه فوق، به‌گونه‌ای بر لزوم این مبارزه تأکید می‌کردند. بطوری‌که بدون اغراق می‌توان گفت که مضمون همهٔ موضع‌گیریهای سازمان ضدامپریالیستی بوده است. از اعلامیه‌ها گرفته تا سخنرانیها از جزوه‌های آموزشی گرفته تا اقدامات عملی در جهت کشف شبکه‌های جاسوسی سیا و مزدوران امریکائی. چشمگیرترین اقدام ضدامپریالیستی سازمان، در آن دوره، ترتیب دادن تظاهرات باشکوه توده‌ای در چهارم خرداد (سالروز شهادت بنیانگذاران سازمان مجاهدین خلق)، بر علیه دخالت‌ها و جنایات امریکا در ایران بود.

می‌خواهیم قبل از اینکه بر سبب انقلاب اسلامی و مقام بزرگ رهبری لوت کرد اقدام به انحلال کمیته‌های کذائی اصفهان نموده و از این طریق دست افراد صالح و ناپاب را از حریم مقدس انقلاب و جان و مال و ناموس مردم قطع نمایم.

(اطلاعات ۴ دیماه ۵۸)

این است گوشای از واقعات جامعه‌ما که هر عصر آگاه و متعهدی را به اعتراف می‌کشاند!!

سؤاستفاده فرصت طلبان از ناآگاهی افراد.

آیا می‌توان انتظار داشت که همه افراد در قدم اول چهره‌ها و دستهای پلیدی را که طراح و مجری نقشه‌های ارتجاعی و غیرمردمی‌اند بطور کامل بشناسند؟ همان چهره‌هایی را که با تکیه بر قدرت و بورژوا با سؤاستفاده از اعتماد صادقانه مردم و پاسداران، بناحق خود را دوستدار و مدافع انقلاب و اسلام جا زداند؟

نه. زیرا در شرایطی که مرزهای انقلاب و ضدانقلاب و ترغیباوهی و ارتجاع مخدوش شده و هیچ ضابطه عمومی برای تشخیص چهره‌ها و مواضع وجود

در شماره قبل خواندید که آیت‌الله لاهوتی طی سخنانی به‌مغل‌کناره گیریش از مقام سرپرستی سپاه پاسداران اشاره کرده بود. و باز در همان صحابه شاهد بودیم که مهم‌ترین شکایت و مسئله او این بود که چرا انقلابیون پاک‌باخته و مکتبی که صداقت و پایداری خود را طی آزمایشات سهمگینی اثبات کرده‌اند، بایستی از صحنه دور باشند و در عوض فرصت طلبان و بیماری "انقلابیون!" بعد از انقلاب به‌ناحق میراث‌خوار و سردمدار باشند. همان فرصت‌طلبانی که در دوران شکنجه و حبس و اعدام و هزیمان با نبرد مسلحانه و جانپازی و شهادت انقلابیون اصل از جمله مجاهدین خلق، در کنج عاقبت جوشی و تسلیم‌طلبی عزلت گزیده و به تجارت سود و تحصیل مدرک مشغول بودند و بعضاً بدلیل دشمنی با مجاهدین کنار آمدن و سازش با رژیم شاه خائن را جایز می‌شمرند! وقتی این صحنه‌ها برای عناصر آگاه و مسئول قابل تحمل نباشد، بطریق اولی سرکوب و افتراء علیه انقلابیون اصل آنها بدست همان میوه‌چینان معلوم‌الحال قابل تحمل نخواهد بود، بورژوا که در کنار این مسائل بسیاری از دیگر ارزشها و معیارهای انقلابی و مکتبی نیز پایمال شده‌اند. در اینصورت آیا برای اتمال آیت‌الله لاهوتی چاره‌ای جز استعفا باقی می‌ماند؟

- 1 مواضع ضد امپریالیستی سازمان حداقل برای خود بنیانگذاران امریکائی جای هیچ شک و شبهه‌ای ندارد زیرا آنها از اولین سالهای عملیات مسلحانه سازمان (سال ۵۱ بعد) با آتش سلسله‌های مجاهدین خلق که سینه مستشاران و مزدورانشان را می‌شکافت روزیرو بوده‌اند.
- 2 بهین دلیل هم از هیچ توطئه‌ای بر علیه مجاهدین روگردان نبودند. دیگر بر چه کسی پوشیده است که محمدرضا سعادت، درست هنگامی که مشغول ردیابی و کشف شبکه‌ها و عناصر سیا در ایران بوده توسط کمیته غیرقانونی سنتر در سزارت امریکا و با هدایت و کمک جاسوسان امریکائی دستگیر و در خانه امن واقع در پشت سفارت ۱۲ ساعت مورد شکنجه و بازجویی قرار میگرفت و از قضا بهترین حساسیت و نگارنی بازجوها و شکنجه‌گران در مورد فعالیتهای ضد امریکائی سعادت بوده است!!

MEK's spying for the Russians:

Background: One year prior to the Iranian revolution, an Iranian High ranking Lt. Gen Mr. Ahamd Mogharabi and Mr. Ali Naghi Rabani (a high ranking official of Ministry of Education) were executed by the Shah's government for spying for Russians for 30 years. Russians desperately needed to know how the head of its spy network and his deputy were uncovered in Iran. After the revolution KGB asked Mek through Mr. Mohammad Reza Saadati member of the Mek's leadership (an engineer who had a history of working in Iran's Steel Company which was established and run by Russia since 1967 at the Shah's time) and was Mek's Russian contact person, to help them. Mek infiltrated in the Government offices accessed documents related to Lt Gen. Ahmad Mogharabi's arrest.

After initial secret meetings with the Russians in Tehran, Mohammad Reza Saadati was arrested in Aug 24, 1979, while handing the documents to the First Secretary of the Russian consulate Mr. Vladimir Fensinkow. Mr. Saadati was sentenced to 10 years of imprisonment, but Fensinkow was released due to his political immunity. Saadati was later executed by the Iranian Regime after Mek started armed struggle by bombing pro government Party HQ killing 120 members of the parliament. Saadati in a letter from prison opposed Mek's armed struggle before his execution. New regime restricts Mek's activities after finding out the nature of Mek.

A detailed account of Mek-Saadati-Russian relation and above incident can be found in a Chapter "Saadati" of a book titled "Inside the KGB: My Life in Soviet Espionage" by Vladimir Kuzichkin, First Chief Directorate for Operations in Teheran. ISBN-13: 9780804109895

Mek occupies US Consulates:

Mek intensified its political propaganda against America as US Imperialism, that after the Shah it is imperialism led by US imperialism as the real Shah that must be toppled by armed struggle. Mek's official papers were filled with articles advocating against USA.

This ended with the occupation of US embassy in Tehran by some students who later called themselves "supporters of Khomeini" who had never existed.

When Mek faced no opposition for the US Embassy occupation in Tehran especially with Khomeini's support for the action, they occupied American consulates in Isfahan and Tabriz cities independently and openly announcing it on their papers.

Rajavi's plan to overthrow the regime:

Under goose of preparing to fight against US Imperialism, they organized Militia units that marched independently on the streets of Tehran.

In the war with Iraq, Mek assessment was that with the new regime's inability to govern the country and the war at the same time while the military forces being occupied in the war front, Mek can topple the regime in the capital Tehran. Mek issued a military communique #25 giving an ultimatum to the government on June 18, 1981 and stated in it: "they will confront the regime with their full power from now on".

Two days later on June 20, 1981, Mek organized a rally without the consent of the government in Tehran where they intended to march towards the parliament and government buildings and Khomeni's residence. Demonstrators clashed with the police resulting in many deaths and injured on both sides. Mek started military uprising as stated in its military communique #25. It followed by bombing campaign, killing many people by suicide bombings in the mosques and public places and a reign of terror began.

Mek planned Mass Bombing to eliminate important figures of the Regime:

Mek used his undercover elements in Government offices to eliminate political figures who considered as pro-West including Dr. Mohammad Beheshti who was educated in Germany. Dr. Baheshti was assassinated along with 120 party members in a bombing of their Party Congress Meeting by Mek member Mr. Mohammad Reza Kolahi in June 1981.

Right: the assassinated president and the prime minister

Thousands more ordinary people (shopkeepers,...) were assassinated by suicide bombings and hit squads for supporting the new government.

Mek and Suicide bombing:

Mek called the government of Ayatollahs, "those who will bring back the Imperialism" to justify their terror campaign.

Masoud Rajavi Mek leader believed he must have been in the position of the leader of the revolution and it is stolen from him by the Ayatollah Khomeini. Masoud Rajavi planned to overthrow the new Regime.

Mek was the first in the region to use barbaric techniques of suicide bombings in public places and mosques by under aged for mass killings.

Above: 9 Mek Suicide bombers published in Mek's official paper issue No. 261

But against the Mek's assessment, the Regime arrested all the operatives of the Mek and executed them in retaliation to the Mek's reign of terror and bombings and killings.

Rajavi tries to cover up his anti-Western stands:

Masoud Rajavi who planned to topple the regime in a few months was aware of the west's knowledge of his anti-Western and extremist stands especially due to killing US citizens at the Shah's time and their seizure of US consulate in Isfahan and Tabriz and military support of US Embassy seizure in Tehran, used "Dr. Abolhassan Banisadr" the first president after the revolution as a cover up to his extremism and pretend to be a liberal while escaped with him to France.

This self-exile was aimed at as Rajavi puts it: "Neutralizing the Imperialist's measures of arresting Rajavi and also creating pro-Western alternatives in Rajavi's absence while he overthrows the regime in Tehran from Paris".

Rajavi and Dr. Banisadr formed NCRI as an alternative to the regime in France. Although Rajavi's wife was killed in armed raids in Tehran, he married with Dr. Banisadr's daughter in Paris to cover up his real intentions of using Dr. Banisadr and that he was sincere in their alliance!

First reign of internal terror begins:

After total defeat of the terror campaign inside Iran that was announced by Rajavi (without the consent of the Mek Central Committee) that lasted almost one year, thousands were arrested, tortured and executed by the regime of Iran. Members and supporters escape to neighboring countries, mainly to Iraqi Kurdistan province where more than 750 Mek dissident members were arrested and tortured by Mek due to their opposition to Rajavi's terrorist policies prior to Rajavi's relocation from Paris to Iraq. He also sentenced his deputy Mr. Ali Zarkesh to death in Paris for opposing Rajavi's destructive armed struggle as terrorism, another member of the leadership Mr. Parivz Yaghoobi was expelled from the organization, and many more left Mek.

Rajavi selected Mrs. Maryam Azedanlou (Maryam Rajavi) a low ranking member of the organization then Masoud Rajavi's personal secretary and the wife of Mehdi Abrishamchi members of Mek's Politburo as his deputy. Masoud Rajavi force divorced Maryam Azedanlou and married with her, calling it an Ideological revolution!!!

MEK under Saddam Hossein of Iraq

Saddam plans to take advantage of Rajavi's scattered forces in Iraq in his war with Iran.

The France's awareness of Rajavi's terrorist nature, results in asking Rajavi to leave France. Saddam Hossein of Iraq that has been helping to organize Rajavi's forces from neighboring countries of Iran into Iraq since the beginning of the war uses the opportunity to bring him to Iraq in 1986 to be utilized in his war with Iran.

Dr. Banisadr (First Iranian Democratically elected President) soon discovers Rajavi's collaboration with Saddam Hussein of Iraq and also being utilized by Mek as a cover to pose as a Liberal Organization in the West, condemns Rajavi's alliance with Saddam Hussein and warns Rajavi of going to Iraq and departs from Mek's NCRI. Following Dr. Banisadr's departure from NCRI major members of the NCRI such as Kurdish Democratic Party of Iran... also left.

In Iraq Saddam Hussein used Mek's members to form a small army and calls it "National Liberation Army NLA" to fight the Iranian army at Iraq's borders. Mek launches a few border attacks for two years.

Ceasefire in Iran-Iraq war puts NLA and Masoud Rajavi at a dead end

Ceasefire in 1988 is called by Iran in the war with Iraq which brought about and end to the Mek's use in Iraq for Saddam Hossein. Rajavi made a suicidal attack on Iran as the last chance before the official ceasefire is signed. Mek's total defeat in the attack left Masoud Rajavi with 1400 Mek members killed and hundreds injured, Rajavi found himself trapped at a dead end.

Rajavi Claims to be sent by the God:

Rajavi announces to be sent by the God and to be the (Imam) Calipha (representative of God on the Earth) and all the members must blindly obey him and his orders as rule of God. Many oppose and intend to leave Mek. Rajavi force divorces the families of the Mek's members. Separate their children from their parents and sends them around the world. A reign of suppression of the dissident members begins and Rajavi openly calls for Iron fist reaction to the opposition to his totalitarian rule. Hundreds of dissident members (men and women) are arrested and tortured some missing some claimed to have committed suicide!

Masoud Rajavi fully supports September 11, 2001 terrorist act.

In the presence of 4000 members Rajavi praises the Sept. 11, and celebrates it as a struggle against Imperialism. Many members ask to leave Mek because of such a terroristic stand, which were jailed.

Masoud and Maryam Rajavi escaped from Iraq leaving 4000 members behind.

In 2003, Saddam Hossein himself is overthrown putting an end to the Mek's presence in Iraq. Masoud and Maryam Rajavi escape from Iraq where Masoud Rajavi goes to hiding not to face the charges of terrorism against USA, cooperation with Saddam Hussein in suppression of the Kurds and its own members in Camp Ashraf in Iraq, and Maryam takes residence in France. US army disarms Mek and gives them protected persons status in Iraq.

New Iraqi government headed by Mr. Maliki asks Mek to leave Iraq. Mek who could not control its members in a free country and staying in Iraq was crucial for it, plans to overthrow Maliki by hiring 2000 under aged Iraqis from within Saddam supporters and trains them to help overthrow their own government where it is discovered by the Iraqis. US Army leaves Iraq and Iraqi forces attempt to take control of the Camp Ashraf.

Mr. Rajavi who is determined to stop his members from reaching free world calls Camp Ashraf Iran's second Capital that must be defended with the price of all its residence being killed for it (while he himself and his wife were the first to escape), Rajavi's order his members to resist by phrasing it as:

“For every thousands of you who are martyred in defending Camp Ashraf is equivalent to, me once conquering Tehran and after 3 thousands of you martyred it is like I have conquered Tehran three times.”

Their resistance results in tens of Mek members being killed and injured in clashed with Iraqi forces.

US intervenes and Mek is forced to relocate to “**Camp Liberty**” as a transition camp to a third country. In Liberty camp Rajavi prevents families of his members who had come from Iran to meet them.

Masoud Rajavi as the Calipha orders cult members to kill families

Mr. Masoud Rajavi publishes a book in his own name calling the family of the Mek members, “the agents of the Iranian regime” and asks his members to kill their families that oppose Rajavi in many occasions including Page 20 of Masoud Rajavi's Book.

وَلَقَدْ كُنَّا مَعَ رَسُولِ اللَّهِ نُقْتَلُ آبَاءَنَا وَ أَبْنَاءَنَا وَ إِخْوَانَنَا وَ أَعْمَامَنَا مَا يَزِيدُنَا ذَلِكَ إِلَّا إِيمَانًا وَ تَسْلِيمًا ...
در جنگهایی که در رکاب رسول خدا بودیم زمانی بود که در برابر پدران و فرزندان و برادران و عموهای خود قرار می گرفتیم و آنها را می کشتیم و این البته جز بر ایمان و اعتقاد و استواری و ثبات قدم ما نمی افزود. شکیبایی ما را بر سوزش دردها و سعی و کوشش ما را برای نبرد با دشمن افزایش می داد...
در ادامه همین خاطرات، حضرت علی برای یارانش سوگند می خورد که مبدا در این مرزبندیها سستی بورزند والا شاخه درخت ایمان سبز نمی شود و سوگند به خدا که در این صورت از دنیا خون خواهید دوشید و در پی آن وقتی دشمن بر شما و مردمتان مسلط گردد) پشیمان خواهید شد.

Mek withholds its members from contacting Western Bourgeoisie

Mek members are cut off from the world for decades, this time in Albania by pretending to save them from Western Bourgeoisie. In the latest attempt Mek forced members to sign an obligation paper to stay in an isolated Barracks in Tirana forever. The following file (a copy of the obligation paper) was smuggled out of Mek by those who escaped in Tirana-Albania, clearly shows the cultic and anti-Western, tactics of Mek to manipulate the minds of its members against outside world. the file reads:

MY strategy is overthrowing- Campaign No. 10 Treaty to Overthrow and Declaration of Irreversible Mek Membership Request to be displaced to Ashraf 3 Camp (in Tirana-Albania)

1. The Fourth founders of the National Liberation Army and Mek inside and outside Iran are engaged in a campaign to overthrow the Regime and preparation of its means in all directions.
2. With respect to the past martyrs in Ashraf and Liberty Camps my way is to remain a Mojahed and die as a Mojahed and my tactic is overthrowing.
Those who escape the jihad for Allah and turn their back to it will stir up the wrath of Allah, and for such a deadly sin they deserve to be in the Hell. (Followed by a verse of Koran endorsing it) Those who break this Holy Oath are the examples of those whom raise the anger of the Allah and deserve to be cursed. (Followed by a verse of Koran endorsing it)
3. Once again I am given to understand on behalf of the NLA and Mek that, if I can't stand to my own Holy Oath and agreement and all previous commitments, and if I do not seek the overthrowing, I should leave and peruse my personal life. But no, I distance from such a humiliation of submitting to the bourgeoisie by ignoring my Holy Oath that will make Khomeini laugh at me in his grave.
4. Alas, if I have come to Europe to live in a secure place. Alas, if I leave the revolutionary struggle, and to be drowned in the Ideology of sexuality and selfishness that will convert me to a corpse.

6. The great Jihad meaning continuous revolution against reaction and anti-revolutionary Bourgeoisie by sincerely confessing my sins in the daily collective meetings (brainwash) which is the great necessity for the victorious overthrowing and also promotion of the Mek in this historic moment.

در خواستنامه برادر مجاهد علیرضا جعفرزاده از سخنگویان مطبوعاتی مجاهدین

البته ما راه پرفرازونشینی در پیش داریم و چه خون ها که تا پیروزی انقلاب بایستی نثار آن شود. راهی که تا همین نقطه بهای سنگینی نثار شده؛ از خون میلیشیاها تا رزمندگان مجاهد خلق در نقاط مختلف ایران، از کوه های بلوچستان تا جاده های خراسان و تا قلب تهران و اکنون نیز خون صدها رزمنده ی راهبی، کوه مردان ارتش آزادپیش ملی ایران. بنابراین چه پاک که برای اثبات حقایقت راهمان خون های دیگری در پهنای دیگر بهای این خلق و انقلاب نثار کنیم.

بنام خدا و
بنام مسعود و مریم راهبران کبیر عقیدتی ام

خواهر سرور، با سلام و درودهای انقلابی و توحیدی! لحظاتی پیش خبر اعلام آمادگی ۲۰ تن از هواداران سازمان در آمریکا جهت خودسوزی اعتراضی در رابطه با عملکردهای دولت فرانسه را شنیدیم که به راستی منقلب شدم و از آن لحظه امکان کارکردن برابرم وجود ندارد. راستش را بخواهید از چند روز پیش که پیام خواهر مریم را خواندم و اینکه فقط و فقط بخاطر ممانعت های خود برادر بوده که از موارد متعدد خودسوزی جلوگیری بعمل آمده، شدیداً ذهنم مشغول شده است. وقتی که شنیدم تنها در آمریکا ۲۰ نفر تاکنون این تقاضا را کرده اند و اینکه مسلماً در سراسر جهان از این موارد در میان هواداران کم نداریم، عظمت این کار برابرم بیشتر ملموس شد و احساس کردم که تا قلم بدست نگیرم آرامش نخواهم گرفت.

به راستی که این سفالگان هنوز تیزی و برائی و قاطعیت عنصر موحد مجاهد خلق را درک نکرده اند چرا که هنوز مسعود را نشناخته اند. اینها خیلی کوتاه فکرتر از این هستند که بدانند فرمان رجوی چه توانایی بهای می کند و این نسل اگر که اراده کند، روزگار را بر آنها با تمامی عرض و طولشان سیاه خواهد کرد و به راستی که اگر مسعود فرمان دهد، آن روی ممانعت و بردباری و صبر و تحمل عنصر مجاهد خلق را نیز خواهند دید. بیچاره ها فکر می کردند که اینبار هم مثل دفعه ی قبل است که دم نزدیم و خشممان را بنا به مصالح انقلاب و صد البته بنا به خواست خود مسعود فرو خوردیم. بخصوص اینکه اینبار صحبت، نه از رهبر یا رهبران مجاهدین، بلکه از هواداران و سمیانتیزان های آنها بود.

البته ما راه پرفرازونشینی در پیش داریم و چه خون ها که تا پیروزی انقلاب بایستی نثار آن شود. راهی که تا همین نقطه بهای سنگینی نثار شده؛ از خون میلیشیاها تا رزمندگان مجاهد خلق در نقاط مختلف ایران، از کوه های بلوچستان تا جاده های خراسان و تا قلب تهران و اکنون نیز خون صدها رزمنده ی راهبی، کوه مردان ارتش آزادپیش ملی ایران. بنابراین چه پاک که برای اثبات حقایقت راهمان خون های دیگری در پهنای دیگر بهای این خلق و انقلاب نثار کنیم.

من نیز بمنابه جزئی ناچیز از بیکران دریای خلق و بخشی از بیکر "مجاهد خلق"، بدین وسیله اعلام آمادگی خودم را کتبا به اطلاع سازمان می رسانم تا در هر لحظه ای که لازم باشد و در هر مکانی که صلاح بداند با قاطعیت تمام خودم را به آتش بکشم. باشد که بدین ترتیب دینم را نسبت به رهبری و خلق و انقلاب ادا کرده باشم.

مرگ بر خمینی - درود بر رجوی
